“REACH” Regulation 1907/2006/CE

Tecnaair Manufacturing Company is aware of the requirements of European Union Regulation (EC) 1907/2006.

Tecnaair declares that some products may contain some substances namely lead above the quantity of 0.1% in weight.

Tecnaair undertakes to monitor the content of raw materials and will inform customers if any other excluded substances are found.

When items supplied by Tecnaair are used in the standard way they are not expected to release any restricted substance. It is recommended that items are not drilled or cut as this could cause exposure to the above substance and subsequent dispersal into the environment.
